

# DAVID ABEJÓN HERAS

COMPUTER ENGINEERING STUDENT

## ABOUT ME

I'm a fourth year Computer Engineering student very passionate about the world of web design and development driven by my enthusiasm, initiative and curiosity. I like to try to understand everything, not feeling satisfied until I find the solution to any problem.

## SKILLS

+1 year experience on web design and development with HTML, CSS, JavaScript and React.js.

Experience with OOP paradigm in Java and C++. Familiar with the syntax of other languages like Python or C.

Knowledge in SQL y Database Management Systems such as PostgreSQL.

C1-C2 English level by *Escuela Oficial de Idiomas*.

## EDUCATION

### DEGREE IN COMPUTER ENGINEERING

**2021-2025 • UNIVERSIDAD DE ALCALÁ DE HENARES**

Currently in third year. Honours in the subjects of Fundamentals of Programming, Advanced Programming and Fundamentals of Computer Technology.

### C1 & C2 ENGLISH • 2019-2022 • EOI ALCALÁ DE HENARES

C1 and C2 courses certified by the "*Escuela Oficial de Idiomas*" (government funded language school).

### BACCALAUREATE IN SCIENCE • 2019-2021 • IES COMPLUTENSE

Distinction with honour in the science and technology branch of the baccalaureate. Average grade of 9.33 (grade from 0 to 10).

## EXPERIENCE

### FULLSTACK DEVELOPMENT INTERN • JULY 2023 - CURRENTLY

Scholarship at Universidad de Alcalá de Henares in "*Data-driven evolution in industrial SW developments*".

## PROJECTS

### CONNECTED-SOUNDS (LIVE DEMO)

<https://github.com/davidabejon/connected-sounds>

Explore radios and cultures from around the world through a world map rendered in a web interface.

### GESTTFX

Private web app used and developed by UAH for the management of final degree/master's projects, made with React.js and Java Servlets.

### PORTFOLIO

<https://davidabejon.cv/?language=en>

Personal website used as a "portfolio" made with the React.js framework and the three.js library for 3D graphics and animations.
